Diameter:

Between 0.116 inches and 0.120 inches

Underloop Length:

Between 1.188 inches and 1.312 inches

Point Type:

Standard

Material:

Steel comp 1008 or steel comp 1010 or steel comp 1012 or steel comp 1015 or steel comp 1017 or steel comp 1018 or steel comp 1020

Material Specification:

66 federal standard all material responses

Style Designator:

Standard

Supplementary Features:

Replacement nsn 5315-00-012-0123 ms24665-355

Specification Data:

81348-ff-p-386 government specification

Specification Or Standard:

B type and 4 class

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
