First End Style:

Square

Pinlength:

0.500 inches

Pindiameter:

Between 0.0610 inches and 0.0630 inches

Second End Relationship With First End:

Identical

Material:

Steel comp b1112

Material Specification:

Qq-s-633 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
