First End Style:

Square

Pinlength:

0.500 inches

Pindiameter:

Between 0.1530 inches and 0.1560 inches

Second End Relationship With First End:

Identical

Surface Finish:

63.0 microinches

Special Features:

0.187 in. Concave radius on one end

Material:

Copper alloy

Material Specification:

Phosphor bronze ek 551 19139 mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A212a0
