First End Style:

Square

Pinlength:

1.500 inches

Second End Relationship With First End:

Identical

First End Location:

Both ends

Pin Taper:

0.120 per foot in inches

Material:

Nickel and silver

Material Specification:

69, fscm 19315 mfr ref single material response and 73, fscm 19315 mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
