Overall Length:

0.312 inches

Diameter:

0.094 inches

Material Thickness:

0.022 inches

Material:

Steel comp 1074 or steel comp 1095

Material Specification:

Ams assn standard single material response

Surface Treatment:

Phosphate

Style Designator:

Slotted

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
