First End Style:

Square

Pinlength:

0.750 inches

Pindiameter:

Between 0.0930 inches and 0.0940 inches

Second End Relationship With First End:

Identical

Surface Finish:

125.0 microinches

Material:

Steel comp 303

Material Specification:

Qq-s-763 federal specification single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A212a0
