Diameter:

Between 0.058 inches and 0.061 inches

Underloop Length:

Between 0.408 inches and 0.468 inches

Point Type:

Extended prong square cut

Material:

Steel comp 321

Material Specification:

Ams 7211 assn standard single material response

Surface Treatment:

Passivate

Style Designator:

Standard

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A212a0
