Headless Straight Pin - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5315-00-096-9999

First End Style:
Square
Hole Arrangement Style:
Drilled through center
First Hole Diameter:
Between 0.0932 inches and 0.0942 inches
Pinlength:
Between 0.308 inches and 0.312 inches
Pindiameter:
Between 0.1855 inches and 0.1865 inches
Second End Relationship With First End:
dentical
Surface Finish:
25.0 microinches
Material:
Steel comp 302 or steel comp 303s or steel comp 303se or steel comp 3
Material Specification:
Ail-s-7720 military specification all material responses
Shelf Life:
N/a
Jnit Of Measure:
-
Demilitarization:
No
-iig:
A212a0
Mil-std (military Standard):
Mil-s-7720 spec.
