First End Style:

Square

Pinlength:

1.000 inches

Pindiameter:

Between 0.1905 inches and 0.1915 inches

Second End Relationship With First End:

Identical

Special Features:

0.130 in. Lg, 0.008 in. Dp cutout both ends

Material:

Steel

Surface Treatment:

Cadmium

Surface Treatment Specification:

Qq-p-416 type 2 class 2 federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A212a0
