Head Style:

Flat fillister

Diameter:

0.061 inches

Under Head Length:

0.660 inches

Hardness Rating:

82.0 rockwell c and 90.0 rockwell c

Pin Head Diameter:

0.125 inches

Height:

0.065 inches

Material:

Copper alloy

Material Specification:

Qq-b-746 comp a federal specification single material response

Style Designator:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A212a0
