#### **Fabrication Method:**

Cold formed

Fastener Length:

0.375 inches

Surface Treatment Location:

# Head Style:

Flat

# Shank Diameter:

0.035 inches

Shank Style:

#### Smooth round

Point Style:

Diamond

# Sterilized:

No

# Decorative Head:

Decorative fiead.

No

#### Material:

Brass

# Material:

Copper alloy

## Surface Treatment:

Adhesive

# Surface Treatment:

Cement

#### Shelf Life:

N/a

### Unit Of Measure:

---

### Demilitarization:

No

# Fiig:

A04300
