Overall Length:

0.250 inches

Diameter:

0.156 inches

Material Thickness:

0.032 inches

Hardness Rating:

46.0 rockwell c and 53.0 rockwell c

Material:

Steel

Material Specification:

Sae 1070 through 1095 assn standard single material response

Surface Treatment:

Cadmium and chromate

Style Designator:

Slotted

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A212a0
