Fabrication Method:

Cold formed

Fastener Length:

1.950 inches

Head Style:

Duplex

Shank Diameter:

0.113 inches

Shank Style:

Smooth round

Point Style:

Diamond

Sterilized:

No

Decorative Head:

No

Material:

Steel

Material:

Steel

Specification Or Standard:

2 type and 12 style

Departure From Cited Document:

As modified by the surface treatment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A04300
