Diameter:

Between 0.146 inches and 0.150 inches

Underloop Length:

Between 0.498 inches and 0.685 inches

Point Type:

Chisel

Hardness Rating:

20.0 rockwell c and 28.0 rockwell c

Material:

Steel comp 1035

Material Specification:

Aisi assn standard single material response

Style Designator:

Standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
