Diameter:

Between 0.086 inches and 0.090 inches

Underloop Length:

1.500 inches

Point Type:

Round

Material:

Steel comp b1112

Material Specification:

Qq-s-633 federal specification single material response

Surface Treatment:

Cadmium and dichromate

Style Designator:

Standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
