Material:

Steel comp 1060

Material Specification:

Qq-s-635, fs1060tc fs1080 federal specification single material response

Surface Treatment:

Cadmium

Surface Treatment Specification:

Jh195, class 1, type 2, abex industries of canada, ltd mfr ref single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
