First End Style:

Square

Pinlength:

0.625 inches

Pindiameter:

Between 0.2480 inches and 0.2500 inches

Second End Relationship With First End:

Identical

Material:

Steel

Material Specification:

Mil-t-18291, cl wi ndr, annealed military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0

Mil-std (military Standard):

Mil-t-18291 spec.
