Overall Length:

2.000 inches

Overall Height:

0.375 inches

Overall Width:

0.375 inches

Mounting Hole Thread Class:

3b

Mounting Hole Depth:

0.375 inches

Mounting Hole Thread Series Designator:

Unc

Mounting Hole Thread Size:

0.190 inches

Distance From Mounting Hole Center To End:

0.500 inches

Starting Edge Shape:

Straight

Mounting Hole Type And Quantity:

2 threaded

Material:

Nickel alloy 400

Material Specification:

Mil-n-894 military specification single material response

Style Designator:

Plain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0

Mil-std (military Standard):

Mil-n-894 spec.
