#### **Overall Length:**

1.375 inches

## Diameter:

0.125 inches

# Material Thickness:

0.028 inches

#### Hardness Rating:

43.0 rockwell c and 52.0 rockwell c

Material:

Steel comp 420

Material Specification:

Aisi assn standard single material response

#### Style Designator:

Slotted

Shelf Life:

N/a

#### Unit Of Measure:

--Demilitarization:

No

### Fiig:

A212a0
