First End Style:

Square

Pinlength:

3.750 inches

Pindiameter:

Between 0.2545 inches and 0.2550 inches

Second End Relationship With First End:

Identical

Material:

Nickel alloy 400

Material Specification:

Mil-n-894 military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0

Mil-std (military Standard):

Mil-n-894 spec.
