Pinlength:

10.750 inches

Pindiameter:

0.2500 inches

Features Provided:

Casehardened

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-225/8 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
