First End Style:

Square

Pinlength:

2.500 inches

Pindiameter:

Between 0.2358 inches and 0.2361 inches

Second End Relationship With First End:

Identical

Material:

Steel

Material Specification:

31013-01, fscm 15434 mfr ref single material response

Surface Treatment:

Copper

Surface Treatment Specification:

71015-01, fscm 15434 mfr ref single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
