First End Style:

Square

Pinlength:

0.338 inches

Pindiameter:

Between 0.0890 inches and 0.0910 inches

Second End Relationship With First End:

Identical

Surface Finish:

63.0 microinches

Material:

Steel comp 302

Material Specification:

Qq-w-423 comp 302 cond b federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
