**Head Style:**

Flat

**Diameter:**

0.156 inches

**Under Head Length:**

1.188 inches

**Hole Arrangement Style:**

One end drilled

**First Hole Diameter:**

0.078 inches

**Distance From Centerline Of Hole To End Of Pin:**

0.062 inches

**Hardness Rating:**

30.0 rockwell c and 35.0 rockwell c

**Pin Head Diameter:**

0.250 inches

**Height:**

0.062 inches

**Material:**

Steel comp 410 or steel comp 416

**Material Specification:**

Qq-s-763 federal specification 1st material response or astm a582 assn standard 2nd material response

**Style Designator:**

Straight

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A212a0
