First End Style:

Square

Overall Length:

0.365 inches

Intermediate Diameter:

0.188 inches

Second End Relationship With First End:

Identical

Pin Small End Diameter:

0.250 inches

First End Location:

Both ends

Material:

Steel comp 303 or steel comp 304 or steel comp 305

Style Designator:

One half groove

Reference Number Differentiating Characteristics:

As differentiated by packaging in accordance with mil-p-23199

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A212a0
