First End Style:

Square

Pinlength:

0.125 inches

Pindiameter:

Between 0.1640 inches and 0.1650 inches

Second End Relationship With First End:

Identical

Material:

Copper alloy

Material Specification:

Ams 4610f assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
