# NSN 5315-00-474-3316

Headless Straight Pin - Page 1 of 1

## First End Style:

Square

## Pinlength:

0.125 inches

# Pindiameter:

Between 0.1640 inches and 0.1650 inches

## Second End Relationship With First End:

Identical

Material:

Copper alloy

# Material Specification:

Ams 4610f assn standard single material response

#### Shelf Life:

N/a

#### Unit Of Measure:

---

## Demilitarization:

No

## Fiig:

A212a0
