First End Style:

Radius

Pinlength:

2.750 inches

Pindiameter:

1.0000 inches

First End Corner Radius:

0.125 inches

Features Provided:

Casehardened

Second End Relationship With First End:

Identical

Material:

Steel comp 1060

Material Specification:

Aisi assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A212a0
