NSN 5315-00-492-8737

Headless Straight Pin - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5315-00-492-8737

First End Style:
Radius

Pinlength:
2.750 inches

Pindiameter:
1.0000 inches

First End Corner Radius:
0.125 inches

Casehardened

Features Provided:

Second End Relationship With First End:

Identical

Material:

Steel comp 1060

Material Specification:

Aisi assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A212a0
