Overall Length:

4.000 inches

Diameter:

0.375 inches

Material Thickness:

0.060 inches

Hardness Rating:

46.0 rockwell c and 53.0 rockwell c

Material:

Steel comp 1095

Material Specification:

Qq-s-633 federal specification single material response

Surface Treatment:

Cadmium or zinc

Style Designator:

Slotted

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
