First End Style:

Square

Overall Length:

1.203 inches

Diameter:

0.0855 inches

Effective Length:

0.668 inches

Undercut Diameter:

0.062 inches

Undercut Width:

0.040 inches

Undercut Radius:

0.020 inches

Second End Relationship With First End:

Identical

First End Location:

Both ends

Material:

Steel comp 303 or steel comp 303se

Material Specification:

Qq-s-763 federal specification all material responses

Style Designator:

Groove

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
