Overall Length:

0.625 inches

Diameter:

0.078 inches

Material Thickness:

0.018 inches

Hardness Rating:

43.0 rockwell c and 52.0 rockwell c

Material:

Steel comp 410

Material Specification:

Ams 5506 assn standard single material response

Surface Treatment:

Passivate

Style Designator:

Slotted

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A212a0
