#### **Overall Length:**

2.000 inches

## Diameter:

0.250 inches

# Material Thickness:

0.048 inches

#### Hardness Rating:

43.0 rockwell c and 52.0 rockwell c

Material:

Steel comp 420

Material Specification:

Aisi assn standard single material response

#### Style Designator:

Slotted

Shelf Life:

N/a

#### Unit Of Measure:

Demilitarization:

No

---

### Fiig:

A212a0
