First End Style:

Square

Overall Length:

0.250 inches

Intermediate Diameter:

0.132 inches

Second End Relationship With First End:

Identical

Pin Small End Diameter:

0.125 inches

First End Location:

Both ends

Material:

Steel comp 303

Material Specification:

Astm a582 cond, a assn standard single material response

Surface Treatment:

Passivate

Style Designator:

One half groove

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
