Overall Length:

2.000 inches

Diameter:

0.312 inches

Material Thickness:

0.062 inches

Hardness Rating:

46.0 rockwell c and 53.0 rockwell c

Material:

Steel comp 1137

Material Specification:

66 federal standard single material response

Style Designator:

Slotted

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
