Overall Length:

2.375 inches

Overall Height:

0.375 inches

Overall Width:

0.812 inches

Mounting Hole Thread Class:

2b

Mounting Hole Depth:

0.812 inches

Mounting Hole Thread Series Designator:

Unc

Mounting Hole Thread Size:

0.164 inches

Distance From Mounting Hole Center To End:

0.115 inches

Starting Edge Shape:

Straight

Mounting Hole Type And Quantity:

1 threaded

Material:

Steel comp 4130

Material Specification:

Qq-s-624 federal specification single material response

Surface Treatment:

Cadmium

Style Designator:

Tapered

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A212a0
