Overall Length:

0.563 inches

Diameter:

0.099 inches

Material Thickness:

0.022 inches

Hardness Rating:

30.0 rockwell c and 50.0 rockwell c

Material:

Stainless steel

Material Specification:

66 federal standard single material response

Surface Treatment:

Passivate

Style Designator:

Slotted

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
