First End Style:

Square

Pinlength:

0.380 inches

Pindiameter:

Between 0.3745 inches and 0.3755 inches

Second End Relationship With First End:

Identical

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-225/6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
