Head Style:

Flat

Diameter:

0.250 inches

Under Head Length:

0.750 inches

Hardness Rating:

64.0 rockwell c

Pin Head Diameter:

0.375 inches

Special Features:

Polytetrafluoroethylene coated for lubrication purpose

Height:

0.125 inches

Material:

Steel comp w108 or steel comp w109 or steel comp w110 or steel comp w112 or steel comp w209 or steel comp w210 or steel comp w310

Material Specification:

Mil-t-18291 military specification all material responses

Style Designator:

Straight

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0

Mil-std (military Standard):

Mil-t-18291 spec.
