First End Style:

Square

Pinlength:

3.030 inches

Pindiameter:

Between 0.1210 inches and 0.1250 inches

Second End Relationship With First End:

Identical

Material:

Steel comp 305

Material Specification:

Ams 5685 assn standard single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
