Overall Length:

1.032 inches

Overall Height:

0.436 inches

Overall Width:

0.750 inches

Features Provided:

Casehardened

Distance From Mounting Hole Center To End:

0.516 inches

Starting Edge Shape:

Straight

Mounting Hole Type And Quantity:

1 threaded

Material:

Steel

Surface Treatment:

Cadmium

Surface Treatment Specification:

Qq-p-416, ty2, cl 3 federal specification single treatment response

Style Designator:

Plain

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A212a0
