First End Style:

Radius

Pinlength:

0.750 inches

Pindiameter:

0.2500 inches

First End Corner Radius:

0.020 inches

Second End Relationship With First End:

Identical

Surface Finish:

32.0 microinches

Material:

Iron alloy 660

Material Specification:

Ams 5735 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A212a0
