First End Style:

Square

Pinlength:

0.500 inches

Pindiameter:

Between 0.0500 inches and 0.0550 inches

Second End Relationship With First End:

Identical

Material:

Steel comp 416f

Material Specification:

Ams 5610 assn standard single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
