Diameter:

Between 0.028 inches and 0.032 inches

Underloop Length:

Between 1.375 inches and 1.625 inches

Point Type:

Extended prong square cut

Hardness Rating:

65.0 rockwell superficial 15-n and 78.0 rockwell superficial 15-n

Material:

Steel comp 302 or steel comp 304

Material Specification:

Astm a493 stdc1xjgaastm a380 assn standard all material responses

Surface Treatment:

Passivate

Style Designator:

Standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A212a0
