First End Style:

Radius

Pinlength:

Between 0.427 inches and 0.447 inches

Pindiameter:

0.0910 inches

First End Corner Radius:

0.015 inches

Features Provided:

Casehardened

Second End Relationship With First End:

Identical

Material:

Steel comp 1212 or steel comp 1213

Material Specification:

Aisi assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A212a0
