First End Style:

Square

Pinlength:

0.415 inches

Pindiameter:

Between 0.2480 inches and 0.2500 inches

Second End Relationship With First End:

Identical

Material:

Iron alloy 661

Material Specification:

Ams5532 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
