First End Style:

Radius

Pinlength:

0.500 inches

Pindiameter:

0.1880 inches

First End Corner Radius:

0.100 inches

Second End Relationship With First End:

Identical

Material:

Steel comp 321

Material Specification:

Ams 5645 assn standard single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A212a0
