First End Style:

Square

Overall Length:

3.750 inches

Diameter:

0.622 inches

Effective Length:

3.342 inches

Undercut Diameter:

0.431 inches

Undercut Width:

0.194 inches

Undercut Radius:

0.096 inches

Second End Relationship With First End:

Identical

First End Location:

Both ends

Material:

Steel comp w110

Material Specification:

Qq-t-580, cl w1-10 federal specification single material response

Surface Treatment:

Cadmium

Style Designator:

Groove

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
