Overall Length:

2.500 inches

Diameter:

0.125 inches

Material Thickness:

0.028 inches

Hardness Rating:

43.0 rockwell c and 52.0 rockwell c

Material:

Steel comp 420

Material Specification:

Aisi assn standard single material response

Surface Treatment:

Passivate

Style Designator:

Slotted

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
