First End Style:

Square

Overall Length:

2.250 inches

Second End Relationship With First End:

Identical

Pin Small End Diameter:

0.180 inches

First End Location:

Both ends

Material:

Steel

Material Specification:

Sae112 assn standard single material response

Surface Treatment:

Zinc

Style Designator:

Center groove

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A212a0
